ACTION GROUPS

Connection & Support

Creating space for caregivers to build community and find people who 'get it'

Navigation

Providing resources, tips, and support in navigating the children's mental health care in Hennepin County

Learning

Creating spaces for caregivers and professionals to learn more about children's mental health

Coordination & Advocacy

Caregivers working with the broader Children's Mental Health Collaborative

What we do

About PARENT CATALYST LEADERSHIP GROUP

PCLG members are dedicated caregivers who work with providers, practitioners, leaders, and young people to improve children's mental health care in Hennepin County by creating spaces for caregiver connection, support, navigation, learning, and advocacy
